

Increase visibility for your practice. Receive your American Diabetes Association® (ADA) Badge.

Boost Your VSP.com Presence

The ADA Badge helps your practice stand out to the hundreds of thousands of patients who visit the **VSP® Find a Doctor Directory** on **vsp.com** each month. The badge further showcases your commitment to connecting vision to the overall health of your patients.

Hear from One of Your Peers

“A few days after I received the ADA Badge, I had a family of four who drove 45 minutes out of their way to come and see us for their eye exams. When I asked the mother what brought her to our office, she told me she found us through the VSP® website and saw that we had the ADA badge.”

—April Oliver, OD, Houston, TX

It's Easy to Earn Your Badge

First

Visit **premieredgetraining.com** to find the badging requirements and resources to help you get started.

Next

Look for opportunities throughout the year to sign up for live diabetes-focused CE webinars, or complete eLearning courses at your own pace.

That's It

Watch for an email from the VSP Premier Edge™ Training and Education team to confirm when your listing will be updated with your badge.*
